

**The CORDET Team wishes everyone Happy Holidays
and all the best for 2021!**

Beyond our general focus on ESG matters, we are supporting the ZOV Foundation this year with a charitable donation. ZOV is a registered charity and supports children from across Bulgaria who have had no one to care for them – children who have been abandoned, orphaned, neglected, abused or who are living with severe disabilities.

We are delighted to see that CORDET has been shortlisted for **Lower Mid-Market Lender of the Year (Europe)** in this year's Private Debt Investor ("PDI") Awards. This follows another strong year in which we closed 18 transactions across existing and new borrowers, effectively demonstrating our "all-weather investor" approach. We would be thrilled if you would like to support us with your vote. Deadline for voting is Friday, 8th January 2021.
